- Web development: HTML, CSS, Bootstrap, Tailwind CSS.
- Frameworks: React JS.
- Database: SQL.
- GIS Tools: Google Earth, Erdas, QGIS, Arcgis.

WORK EXPERIENCE

Toolfe IT-Consultancy & Services

Software Engineer Intern

Oct 2023 - Oct 2023

I interned at Toolfe IT-Consultancy & Services as a software developer for one month. During my internship, I acquired valuable practical skills in software development. Through hands-on experience with HTML, CSS, JavaScript, and various web development frameworks, I proficiently created and maintained web-based applications. This opportunity allowed me to enhance my expertise in these domains and gain invaluable real-world experience through project involvement.

PROJECTS

Toolfe: Web Application for landing page

Nov 2023 – Dec 2023

Developed landing websites using HTML, CSS, and JavaScript, Bootstrap.

Enhanced user experience and achieved webpage objectives through the design of site structure, navigation, page optimization, and UI/UX.

Implemented enhancements aimed at improving web functionality and responsiveness.

Necurity Application

Jan 2024 – Feb 2024

I contributed to the development of a Necurity dashboard using React and TailwindCSS.

My responsibilities included frontend implementation, UI design, and ensuring responsiveness. Collaborated with team members to integrate features and optimize performance.

Actively engaged in testing and debugging processes to ensure smooth functionality. Played a key role in delivering a user-friendly and visually appealing dashboard interface.

Achievements & Awards

Qualified Joint Entrance Exam (JEE 2017),

National level champion in volleyball. State level weight lifting. NCC Cadet under Officer holds C-certificate with 'A' grade

LANGUAGES

English, Tamil, Telugu
